## Alaska fishing guide jobs

See below for more details Please read How to Apply to make sure you submit a full application. Tikchik has a corporate policy that we do not hire couples, married or not. Tikchik Narrows Lodge is a world-class sport fishing resort that welcomes fishermen from all over the world. Tikchik is totally isolated in the alaskan Wood Tikchik State Park wilderness. We only have 24 people at a time and have a seasonal staff of up to 34 employees. Our guests usually stay a whole week on arrival and departure on Saturday. Tikchik is totally isolated. There are no roads and the only access is by bush plane. This wild setting provides our employees with immediate access to hiking, kayaking, game watching, fishing and boating. Just being in Tikchik is an amazing experience. Our employees live in an environment that employees at other stations will never experience. Yet Tikchik is very sophisticated with modern facilities and housing. We have our own generators, water and waste systems. To learn more about our operation - Visit the Tikchik Narrows Lodge website at: [www.tikchiklodge.com](http://www.tikchiklodge.com) 2020 Seasonal Positions - Our Employees Make a Difference The positive attitude, friendliness, professionalism, commitment and hard work of our employees make the difference between Tikchik being a world-class resort and just another destination in Alaska. Our staff works towards a common goal of complete customer satisfaction. Because our customers stay a full week, the interaction between our employees and our customers is vast. Our staff learns to know our customers and because we have an 80% repeat business and a large number of staff returning each year, the relationships between our customers and the staff is more personal than a resort with a stay of one night and two. Seaplane Pilot - Full Seaplane Pilot - We have an opening for a seasonal seaplane pilot to fly a DHC-2 Beaver and a C206. Applicants must have at least 3,000 TT, 500 hours of flying in a Beaver or C206, preferably both. Alaskan time is preferable. The work is from June 1 to September 17. Please do not apply if you do not meet the minimum requirements, we will not respond to you. Download - Pilot Job Description Fishing Guide - Completed Fishing Guides - Tikchik employs 14 fishing guides and 3 trainee guides. Our fishing guides must have previous guidance experience, hold a U.S. vessel operator licence, S.C.G., or be able to qualify and obtain a USCG license. Our fishing guides must be expert fishermen in the art and spin fishing, salmon and trout, lake and river/river/fishing river. Because we fly every day, we fish a wide variety of waters and fish species. Duration - This is a full season position that starts around June 5 and runs until September 18. Download - Work Description Guide Fishing Guide Interns - Completed must be 21 and can work until September 20. Trainee Guide - This is an entry-level position, providing training and supervision to accomplished guides. While not a full-time guide position, it is an opportunity for people who are aggressive and have exceptional fishing skills to gain experience and return following season as a full-time guide. This is a very competitive opportunity. Applicants must submit a thorough application and be able to obtain a limited USCG OUPV license. Download - Intern Guide Position Description Hospitality Manager - Hospitality Manager - The Hospitality Manager is responsible for overseeing the hotel, dining room, guest services and meal cleaning, directly supervising the 5 hospitality stations. We are looking for someone who has leadership skills and is focused on details with a warm smile welcoming and behaving. Our level of service is very important for the operation. Our reputation is based on incredible and friendly service, attention to detail while allowing our staff to have fun and enjoy their summer. Must have significant experience with gastronomy and luxury resorts. Download - Home Manager Description of reception posts - Open home stations - Because we are a small station, our reception staff share all the necessary tasks. These positions include serving, cleaning the dining room, washing dishes, cleaning guest rooms and laundry. Because our fishermen fly daily at 8am and return at 6pm, our peak hours are breakfast/cleaning service and dinner/cleaning service. Our hospitality staff collectively team up for these meal services, serving, cleaning and assisting the dishwasher. In the morning after the fishermen leave, the reception staff performs individual housekeeping, laundry and cleaning tasks. The workday is usually a split shift of about 9 hours with a work week of 55 to 57 hours. These are hourly positions. Full Season - Full-season reception positions start on June 10 and continue until September 20, 2020, OPEN - Fall Rotation - 1 position on the left - This is an 8-week position from the end of July until September 20, 2020 Completed - Spring Rotation - This is a 7-week position from June 10 to the end of July. Summer Open Rotation - June 14 to August 10 (perfect for a collage student) OPEN note - Nominees must be over 21 years of age. Download - Home Post Description Dishwasher / Laundry Post - OPEN - June 14 to September 20 Download - Hospitality Dishwasher - Sunset Camp Laundry Work Description - Cook/Camp Helper - Cook/Camp Helper Filled - Tikchik operates a tent camp in called Sunset Camp. This camp is located in the waters of the extreme source of a river where our seaplanes cannot land. We land down the river and boat up to the extreme promontories of the river. Due to the travel time, we have our guests overnight to maximize fishing time. The camp can accommodate 4 fishermen, 3 nights a week. Two guides are stationed at the camp with the cook/camp assistant. Cook/cook/camp/camp help responsible for preparing, serving and cleaning 3 dinners and breakfast for 6 people (4 guests and 2 guides) each week. We guests at night on Sunday, Tuesday and Thursday evenings. This position is also responsible for cleaning tents, making beds, etc. Sleeping tents have attached bathrooms with running water, 4 range of oven burners and a propane refrigerator. The food is a fixed menu every week and is sent with guests. We are looking for someone who has cooking/cooking skills, is creative and can handle being in the desert. Even though the guides are also at the camp every night, they are to be guided every day, so this position requires someone who does not mind having a lot of downtime and being alone almost every day for much of the day. Because we only have night guests 3 nights a week, there is plenty of time to go hiking and fishing and kayaking. Download - Sunset Camp Cook /Camp Helper Job Description Executive Chef - Filled Our kitchen staff consists of a team of 3 with an executive chef, assistant chef and a prep kitchen/assistant/dishwasher. We serve breakfast to order and lunch is sent with the fishermen every day. Dinners are served banquet style. Fishermen can choose between two starters each night. We fly in fresh produce every day, we strive to serve inspired and fresh food to our customers at every meal. Executive Chef - We are looking for someone with solid experience in the food service industry as an executive chef in gastronomy. Formal training in a culinary school is preferable, but not necessarily necessary. The Executive Chef will oversee the assistant chef and kitchen preparation. The EC will help with menu planning and will be responsible for taste and presentation. The EC will be responsible for ordering, inventory, cost control and waste. They will work closely with the owners (Bud and Linda Hodson) to achieve the goal of a superior culinary experience. It is the responsibility of the executive chef to provide the best possible cuisine for our guests. Download - Executive Chef Job Description Sous Chef - Filled Sous Chef - Help in preparing guests' meals and is responsible for staff meals. It is a split quarter day that breakfast preparation is included in this position. Our sous chef should have strong cooking skills to help in fine desserts and cooking. This is a full season position from June 14 to September 22. Download Assistant Chef Preparation/Kitchen Preparation/Kitchen Cleaning - Filled Kitchen Preparation/Baker - This position requires some previous experience in a commercial kitchen to assist executive and assistant chefs with breakfast grill, kitchen preparation, plate ups, crew meal preparation, kitchen cleaning and crockery. This position is 70% kitchen, food preparation work and 30% cleaning, crockery, pans and pans, etc. This is a full season position that will start from June 7 to September 14. Download - Kitchen Prep / Baker Job Intern Guide - Tackle Shop - Trainee Guide - Tackle Shop - Must be 21 years old and can work until September 20. This post is a great way to learn the sport fishing lodge business, it is perfect for someone to learn the guidance skills, hands on. This position combines limited guidance in the ability of a guide trainee and manages our tackle shop and assisting owner operator Bud Hodson with light administrative work. This person must have knowledge of fishing, equipment and equipment, and be well informed with Word and Excel. The plating store is located in the corner of the main lodge adjacent to the office and is a small room with walkway doors. All rods, coils, lures and flies are provided to the guest and are included in the package price. The guides carry a supply of tackles with them every day and distribute the tackle to the fishermen as needed. The tackle store is the hub of all supplies and tackle distribution to guides and guests. Lodge clothes are also sold in the tackle shop and the tackle store person is responsible for weekly inventories. The tackle shop person will monitor the inventory and place orders. This position will be overseen by owner-operator Bud Hodson. Because guests leave every day to go fishing, the tackle/shop is attended 1/2 before breakfast and 1 hour in the evening. The rest of the time is spent organizing, ordering, tracking and receiving orders. Because so much time is actually spent in the office, it is natural to have this person share in some of the office functions. Download - Download Administrative Assistant / Tackling the bartender/worker lodge shop - REMPLI Bartender/Worker Lodge - This post combines both evening bartender duties and daytime ground teamwork. We will have 2 bartender/staff lodge who will rotate the functions. 1 - bartend 4 nights a week and the other bartend 3 nights a week. The bar is open the evening before the dinner service and a few hours after dinner. Our bar is a 6-foot counter/bar located in the corner of the main lodge. It is open to the entire lodge. Bar hours are when the plane returns with guests (usually from 5:15pm) until 11pm. This is a non-cash bar, running tabs are kept for each guest. The bartender experience is preferred but is not required. We are looking for someone who is reliable, honest, presentable and has a friendly and outgoing personality. He must be 21. This position also requires lifting heavy items up to 80 pounds. To make it a full-time position, the bartender will also carry out work during the day, as well as the light dishwashing service. Download - Bar Tender - Ground, Lodge Worker / Ground Crew Member - Full Flag Worker/Ground Staff - This is a general do-it-all position, loading and unloading aircraft, cleaning fish, cutting firewood, transporting luggage, bagging to delivery of morning coffee and evening drinks. This person must be fit capable of heavy lifting and physical work. This is an entry-level position and is suitable for those who do not meet the qualifications as a trainee guide or guide, but who wish to work in a fishing lodge and gain experience. This is a full season position from June 1 to the end of September. Download - Ground Crew Work Description Mechanic, speedboats and lodge equipment - Filled Please send a cover letter, CV and because we will not have the chance to respond to a photo is always useful. Mechanical - This position will focus on our 34 outboard engines (Yamaha and Honda 30 and 40 horse) - assist in the overall repair and maintenance of Lodge equipment. Responsibilities include monitoring and ordering equipment and maintaining inventory. Repair and maintenance of equipment as required. We have a large fleet of boats with Yamaha accessories 30 hours, 40-hour jets. Help for other maintenance work involving truck repair (our Dillingham vehicles), diesel generator service, and various equipment such as pumps, water heaters, ovens, etc. The mechanic's position requires a person who is organized, with a common sense approach to the maintenance and repair of a wide range of equipment. This position requires some knowledge of basic small engine repair and hotel/home maintenance. Some experience with electrical wiring, carpentry, and other mechanical repairs is valuable. Basically, the help of our mechanic must be a man all around the hand with good people skills and work ethic. Download - Mechanic's Helper / Lodge Worker Staff Descriptions - Tikchik staff enjoy kayaking, hiking, boating, fishing and sometimes flying to different locations for fishing or sightseeing. Tikchik is located in an incredible area for day trips. Lake Tikchik connects Lake Nuyukuk (20 miles long) and Lake Chaukukut, which is also 20 miles long, offering a vast area to explore. This area is abundant with bears, moose and caribou, not to mention world-class fishing. We have motorboats and kayaks that employees are free to use while on leave. Tikchik has a great fishing right in front of the lodge and it is not uncommon to see wildlife near the lodges as well. Employee Information - The following details should help explain job descriptions and answer logistical questions. We are looking for employees who can commit to an incredible team of people who place first in customer service. Our brochure says it all, Satisfaction is achieved by exceeding your ». Our goal at Tikchik is to ensure a memorable experience for every fisherman, with an emphasis on quality service. Tips - Tikchik is renowned for our extraordinary level of service that is rare in Alaskan resorts. Because of this service, our clients usually leave very generous advice that are given at the end of their stay. From pilots and guides, to our servers and ground crew, we believe our employees are Tikchik's greatest asset. In this teamwork, the tips of the guests are divided equally among the entire staff. During the 2017 season, Tikchik employees, in the middle of the season, each earned more than \$500 a week in tips. Room and Board of Directors - Tikchik offers free accommodation and all meals for our employees. Employees are housed in communal cabins or rooms with private bathrooms. Our staff accommodations are among the best in the industry. The meals are hearty, hearty and delicious. Our chefs are proud to provide our staff with creative and healthy meals. Special Note - Due to our remoteness and housing needs, we cannot accommodate spouses or families in the pavilion. Our season - Our first guests arrive in mid-June. Most of our employees will arrive by June 12 for a week of training and orientation. We will operate for 13 consecutive weeks. Our guests arrive on Saturday and leave the following Saturday. On the same day, we have 24 new fishermen arrive. That's for a very busy season. There are no breaks without guests. Our last guests will leave on September 19th. Transportation/Travel - For most posts, our rental point is Anchorage, Alaska. Most of our employees are responsible for paying their own way to Anchorage, where Tikchik staff meet them and rob them at the lodge. Due to travel costs so far and airfare costs being high, Tikchik has a travel refund program to help with the upfront cost of ticket purchases. Grooming uniforms and standards - Many of our stations require Tikchik uniforms. Tikchik will provide some of the uniforms and our employees will be required to bring some free items such as black pants for waiters, khaki pants for the bartender, etc. We expect our staff to be presentable at all times and maintain good grooming standards. We are looking for healthy, friendly and presentable staff. Facial piercing is not allowed. Even though we are located in the wilderness our staff need to maintain a neat, clean and professional appearance. We have laundry facilities for staff and our crew quarters have private bathrooms with showers. We expect a good grooming and a professional appearance. Drug-free workplace - Tikchik Narrows Lodge is a zero-tolerance drug-free operation. We are looking for non-smokers and non-smokers. Pets - No pets are allowed. Because we have shared accommodation and Tikchik facilities are located in a confined area, it is not practical to allow pets for our staff. Apply or get more information - If you are interested in a position for the 2020 season, please submit a cover letter, a complete summary that includes at least three work references. Because we probably won't get to meet you in person and will communicate exclusively by phone and email, please include as much information about your skills as possible. Please send a recent photo, this will help put a face to your resume and makes your app more personal. Please feel free to send an email to your [email protected]. We can't wait to hear from you! You!
